

Thank you for taking time to learn more about FACTS management. As a school, we are excited that this addition to our day to day operations will streamline our accounting and invoicing procedures.

Please note that the web site is ready for use.

The following path will take you to the screen necessary to sign-up to begin FACTS.

1. www.blaircountychristianschool.org
2. ENROLLMENT TAB
3. ENROLLMENT TAB / FACTS
4. Follow instructions

If you have any questions, please contact the school office. If you **do not** have computer / internet access, please call the school office to make an appointment to come in and we will walk you through the process to ensure that all of our families are signed up.

Please note also that the 12 month payment option is not available at this time. Once FACTS has made this change for us, we will then notify you. The 12 month option will be available only by obtaining a password from the school office.

Thanks again for helping our school to become more efficient.
